FOOD-TRAK Boot Camp is an exciting 4-day course focused on learning how to become a proficient FOOD-TRAK user and drive cost savings to your organization's bottom line. You will be armed with the knowledge to construct, operate and maintain an effective food and beverage database while practicing inventory techniques and methods, rapid and accurate recipe building, forecasting, ordering and procurement approaches. Additionally, you will gain competence with requisitions and transfers, waste, variance tracking and report analysis.

FOOD-TRAK Boot Camp is simply the best defense against escalating F&B costs. Our main objective is to help you bulletproof your F&B operation by providing you with working knowledge of the FOOD-TRAK System, process flow, task operations, management and reports, arming you with everything you need to win the food cost battle.

Working on your own computer workstation and the latest version of FOOD-TRAK, you will be led by your drill sergeant through a series of lectures explaining the “how to” functionality of each process, followed by practice exercises outlined in the comprehensive Boot Camp training manual. This “real world” foodservice operation approach prepares you to return to your place of business and make effective use of the FOOD-TRAK system.

TECHNICAL REQUIREMENTS

Each attendee will be required to supply their own laptop which meets the following requirements:

- Windows Operating System 7, 8 or 10 running Internet Explorer 10 or greater
- Language setting as United States (English)
- Wireless Network Connectivity
- Windows login account credentials with Administrative Permissions
- Virus Protection installed with the latest definition updates, full system scan and clean results
- Minimum 2GB RAM and Pentium IV or better
- Disabled Windows Firewall
The most successful F&B operations rely on accuracy of detail and this is exactly how the class information was delivered. Boot Camp gave me better knowledge of the program, but most of all I will use FOOD-TRAK as a tool to improve what we do on a daily basis.”

-The Country Club of Virginia

FOOD-TRAK Boot Camp is being offered at New Seasons Market in Portland, Oregon! Space is very limited for this course and advanced registration is required. The deadline for timely registration (accompanied by payment) is February 11, 2020.

The standard registration fee for the four day course is $995 for the first attendee. Additional attendees are $895 each. A special, discounted rate of $895 per person is available if payment is received in full by February 4, 2020. Payment can be made using a company check, Visa, MasterCard or AMEX. Final registration (within 14 days of the seminar date) will be accepted on a space-available basis only. Payments are non-refundable if cancellation occurs within 14 days of the seminar unless we are forced to cancel or reschedule the course. SCI reserves the right to cancel seminars in the event of insufficient registration or events beyond our control. Pricing is subject to change without notice.

Pricing:
